

XLSTAT 2025.1

FOR ACADEMIC RESEARCH

Bring the power of AI-driven, advanced statistical analysis to everyone on campus with the XLSTAT 2025.1 Campus License—perfect for students, educators, and researchers.

Why Choose XLSTAT 2025.1 Campus License

- Campus-Wide Access**
One license covers all computers and users on campus, from classrooms to labs.
- Integrated with Excel**
Seamlessly embedded in Microsoft Excel for familiar, no-coding-required workflows.
- AI Assistant**
Provides instant data summaries, results interpretation, and guided analysis to simplify learning and improve research.
- Redesigned Interface**
Streamlined ribbon for faster, intuitive access to over 250 statistical tools.
- Advanced Features**
Includes new Holm-Bonferroni correction for reliable multiple comparison tests and enhanced propensity score matching for causal inference.
- Flexible Packages**
Choose Essentials, Standard, or Advanced tailored to your campus needs—from basic statistics to AI-powered modeling.
